Enjoy luxurious, private retirement living on the Shore

Our residents love getting together joining in with the social activities including daily walking, exercise classes, weekly happy hour, museum and art trails. Our apartments, designed for independent living, are very exclusive and part of a very small building complex. We have just a small selection left - each with access to the fabulous heated indoor pool, spa, gym, lounges, outdoor BBQ and entertaining areas - and all this is just minutes from Browns Bay beach and cafés.

Here are some features you'll love about your new apartment:

- Quality kitchen appliances, washing machine and dryer
- Gorgeous warm interior with double-glazing and heat pump
- Under cover garaging, remote entry and emergency call system.

We love animals here and small pets are welcome at Aria Bay.
